

## Transitions Art Show

Reception:  
Saturday April 27, 2019  
4-6 pm

# Studio 84 Call for Art!

Studio 84 is transitioning through its tenth year of operations into its next ten years. As part of our annual Gala night we are seeking art that is all about transitions....think.... how a caterpillar transitions into a butterfly! Our artists will be creating their works of butterfly themed pieces, to be on display and for sale along with local community artists. All art should be available for sale and priced at under \$100. Artist receives 50% of the sale and the rest goes towards supporting our programming.

**So help us celebrate as we transition into our next ten years, by submitting your art and supporting our programming and your fellow artists.**

Transitions invite us to turn our reality into opportunity.  
They are moments to connect to our essence and  
transform it into a gift. -Kimberly Hunn-

Any medium accepted and should be no larger than 10" x 10"

Please contact us to purchase a canvas if you need.
